CAMPOUT AT OSAGE BEACH

The weekend of April 24-26 had six Hillbilly Roller units camped at Osage Beach RV Park, Osage Beach, MO.

Those attending this campout were: Bob & Wanda Anderson, Jack & Glenda Beeson, Marty Cinkosky & Carolyn Fontenot, Gene & Noma Coltrin, John & Carlton Huff and Bud & Rita Picker and their daughter, Susan York.

Early arrivals on Wednesday were; Marty, Beesons, Coltrins and Pickers. The Andersons arrived Thursday morning in time for Bob to join up with the other men in a round of golf at the Eldon golf course. This left the women with plenty of time to check out the many shopping centers and the Osage Beach outlet mall.

Being gluttons for punishment the men decided they just had to play another 18 holes of golf on Friday. They made a full day of it traveling almost to Versailles to find a reasonably priced golf course. Naturally, the women were again afforded ample time to take in the many shops and sights available in the lake Ozark area.

Arriving Friday evening were the Huffs and Marty's lady friend, Carolyn Fontenot

Never ones to pass up a good eating establishment, the "Rollers" located the dining facilities located in the HyVee Market. This was a new experience for most and was quite enjoyable with plenty of good food.. For lunch and evening they had three buffet lines; soup & salad, Chinese,

and American food. They had a great variety to choose from and the food was well prepared, and reasonably priced. Friday evening found the "Rollers" dining at the Outback restaurant and were joined there by the Huffs and Carlton's brother, Robin Thomas.

The Andersons had to leave after the Saturday morning business meeting to go home and start the unenviable task of packing their belongings in preparation to moving as they have sold their house.

Saturday afternoon Rita & Bud's daughter, Susan put on a fashion show with the able assistance of her dog, a Maltypoo named Cassie. Cassie modeled various forms of attire replete with ribbons and the necessary accoutrements. Not your typical fashion show, but one appreciated by all, but especially by the dog lovers present. Susan is in the business of making dog-wear and putting on dog fashion shows.

The weather for this campout was absolutely fabulous and a good time was had by all.

MAY STATE MEETING

The meeting will be held May 15 – 17 at Coachlight RV Park at Carthage, MO. The "Rollers" are the host chapter and are responsible for supper Friday night. Supper will be "taco soup" and dessert.
