

Hillbilly Rollers News June, 2009

President: Jack Beeson – 870-423-6279
Newsletter: Gene Coltrin – 417-345-7135

BINDER LAKE CAMPOUT

For the weekend of June 12 – 14, seven (7) Hillbilly Roller RV's descended on the Binder Lake RV Park. This is a secluded wooded park just north of Business 50 W about 10 miles west of Jefferson City. The park has 18 full hookup spaces with 30 & 50 amp electric service, covered picnic tables and fire rings at each space. A word to the wise; if you plan on staying at this park and plan on utilizing an installed satellite system, be sure to pick a space on the north side of the road to have a clear shot at the satellite. Otherwise the trees will block reception.

Attending this campout were Bob & Wanda Anderson, Jack & Glenda Beeson, Marty Cinkosky & Carolyn Fontenot, Gene & Noma Coltrin, John & Carlon Huff, Vince & Della Nelson and Bud & Rita Picker.

This campout provided some excitement that was a step out of the norm. As the participants were winding up their evening meal the tornado sirens started blaring. So the "Rollers" scurried off to the safety of Steve Pickers' (son of Bud & Rita) residence that has a steel reinforced concrete room under it. About 45 minutes later the "all Clear" sounded and everyone headed back to Binder lake.

The schedule for this campout was altered somewhat from the usual format as Jack & Glenda had to leave Friday to attend an Air Force retired Master Sergeants reunion at Little Rock, AR Air Force Base.. The main meal was scheduled for Thursday evening instead of Saturday evening. During the day on Thursday some of the men played

golf while Rita took the ladies on a tour of the capital and surrounding area and of course found some time for shopping.

Thursday evening Bud & Rita, with welcome help from daughter Susan York, hosted a super fish fry at their residence in "Jeff City". Bud and Susan deep fried the fish and participants brought side dishes, salads & desserts. Kudos to the Pickers and Susan for a delightful evening.

HBR CHAPTER MEETING

The June HBR meeting was held Thursday evening as President Jack had to leave Friday for the reunion at Little Rock, AR.

Treasurer Della Nelson reported the general fund has a balance of \$704.49 and the "special fund" balance is \$160.00. Each campout reimbursed the treasurer \$14.00 for the first night's camping fee that was paid by deposit.

Della reminded everyone that dues are due.

There was general discussion about the upcoming HBR election of the following slate:

President – Marty Cinkosky
Vice President – Carlon Huff
Treasurer – Della Nelson
Secretary – Gene Coltrin

The subject of the state schedule returning to meetings in April, June, July at GNR and the rally in September. It was decided the "Rollers" would not schedule a campout in the months of state meetings/rally. This leaves just five (5) months that need to be scheduled for

HBR campouts; May, July, August, October and November.

This led into discussion about the July campout with the Kansas City Chief Winnies at Osceola. More about this later on.

The subject of getting campsites brought up and the plea for everyone to be on the lookout for new campsites. If a prospective campsite is spotted, be sure to get the pertinent information to Bud Picker so he can check into the site for scheduling. Pertinent information is; location, amenities, phone number and anything else that would help the campground committee in their setting up a camp schedule.

President Jack notified the group that Winnie-MO-Tasca president Bill Stone had requested the chapters to donate \$100.00 each for the door prizes at the state rally in September. After discussing the issue it was voted to purchase WAL-MART gift cards for donation to the state rally.

President Jack noted that the HBR August campout would be at Roaring River and the September state rally will be at the MO State Fair grounds in Sedalia.

Vince Nelson reminded the group that our Sponsor, Reliable RV is planning to have an open house in the near future showcasing Winnebago products and the possibility of the "Rollers" participating in the event. More news to come on this issue. It was moved and seconded and the meeting adjourned.

Mean while back at the campground, Friday again found the golfers chasing the little white ball while the ladies did their thing and Jack, John & Vince installed a CB radio in the Huff's RV so they would be able to communicate with the other coaches while in caravan.

Marty & Carolyn provided the best and largest hot dogs for a delightful hot dog feast Friday evening. After dinner the men got a campfire going and after the fire had reduced down to a large bed of coals out came the marshmallows and "sum-mor" fixings. A truly great finish to an evening of good food, fellowship and reminiscing around the camp fire.

Saturday consisted of the men being given the grand tour of "Jeff City" including the old prison, the new correctional center, the National Guard compound and the MO Highway Patrol Headquarters.

Saturday evening "master chef" Marty & Carolyn put together some of the best chili you would ever want to taste. A fitting end to one of the best HBR campouts in a long time. Thanks to Pickers (mustn't forget Susan), Cincosky & Carolyn. A tip of the Coltrin cap for a job well done.

JUNE BIRTHDAYS/ANNIVERSARIES

June birthday honoree:

Noma Coltrin on the 23rd

.Anniversary honorees;

Charles & Carol Genrich

JULY CAMPOUT

The July campout will be a dual campout with the Chief Winnies at the Osceola City RV Park.. President Jack has been in contact with the park manager and John Reuter of the Chief Winnies. There will be a fish fry on Friday evening to accommodate those needing to leave Saturday for Iowa. The fish will be supplied by the park manager and John will fry the potatoes. Participants are expected to bring side dishes salads and/or desserts. Saturday Breakfast will be biscuits and sausage gravy provided by the "Rollers".
