'Rollers' at State Meeting

The June Hillbilly Roller campout was at the Winnie-MO-Tasca Missouri state meeting June 18 – 20th at Lazy Days RV Park located at Montgomery City, MO. Just about all of the 'Rollers' that attended this outing arrived on Wednesday with the Huffs coming in on Thursday. There was a total of 23 coaches that attended this state meeting.

Located just off I70 on J Hwy, Lazy Days Campground is a fine place replete with generous length pull through parking spots, swimming pool, 'rec' hall and a hostess par excellence. If you happen to be looking for a campground in the area of Montgomery City, pull into Lazy Days and you won't be disappointed.

When we pulled into the park a chainsaw artist was at work on the remnant of a fair sized oak tree. What was left of the tree was about 12 feet tall. With nothing but chain saws this artisan carved from top to bottom, an eagle perched on an owl's head and the owl perched on a deer's head. On the base he then carved very lightly the figures of three dogs around the tree trunk.

Wednesday night would have been better termed "wet night". The good thing about the rain is it waited until all but the late-nighters were in their coaches before it cut loose and poured, and poured and poured. Unfortunately the rain was so severe that the Thursday golf game was cancelled. Other than cancelling the golf, things went well and everybody busied themselves with going shopping (the city of Hermann is only 22 miles from Montgomery City) so along

with shopping in Hermann, one would assume their would also be some wine tasting going on.

Friday evening the host chapter, Gateway Winnies served up a dinner of spaghetti & meatballs, rolls and dessert that was absolutely the best.

The Saturday morning catered breakfast featured a presentation that was a first in the memories of most attendees: along with the usual scrambled eggs, bacon, sausage, potatoes, biscuits and gravy, the caterer prepared cheese omelets to order and it went really well without hardly a pause in the line for food.

Saturday Meeting

The state meeting Saturday morning consisted of planning for the upcoming Grand National Rally at Forest City, IA and the Missouri State Rally in September at the fair grounds in Sedalia. Winnie-MO-Tasca state president Jim Yetter asked the chapter presidents to urge their membership to attend the state rally. They are planning on a minimum of 35 coaches attending the state rally.

The Hillbilly Rollers were scheduled to be the host chapter at the state rally but an agreement was made with the Gateway Winnies to swap the assignment. The Gateway Winnies will host the 2010 state rally and the Hillbilly Rollers will host the 2011 state rally.

July HBR Campout

The July HBR campout will be a dual affair with the Chief Winnies at the Osceola City RV Park July 9 – 11. The park

managers have requested those planning on attending this campout to call **1-417-646-8675** to let them know when you plan on arriving. This request is made to ease the park manager's task of spotting coaches in the parking slot you were in last year.

Those who attended the Osceola campout last year remember the great Saturday evening fish fry put on by the managers. A similar event is planned for the campout next month.

Again the membership is reminded that the Osceola campout is a good jumping off point for GNR at Forest City.

July is Dues Month

The time has come to pay your membership dues. Timely paying of dues makes life much easier for the treasurer. It also provides membership numbers for ye olde secretary in putting together next year's directory.
