### Treasure Lake Campout

The October Hillbilly Roller campout found six (6) HBR coaches at Treasure Lake RV resort, Branson, MO. Those attending this campout were: Jack & Glenda Beeson, Marty Cinkosky & Carolyn Fontenot, Gene & Noma Coltrin, Charles & Carol Genrich, John & Carlon Huff and Vince & Della Nelson. The weather was the deciding factor as to what events were to take place. Mostly, it was running between the rain drops. Although the weather was quite moist, it didn't dampen the usual HBR spirit.

The arrivals and ensuing setting up was pretty much as usual with those already in place ready and willing to assist the new arrival. The only thing out of the ordinary involved the Genrich's. After getting parked, leveled and slides out, they found there were no "ready kilowatts" at the electric box, which necessitated their moving across the street to another spot. Of course this was all taken in stride without any problem. That's the nice thing about these boxes with wheels, moving is no big thing.

Friday John & Carlon took in Silver Dollar City and Marty & Carolyn and Gene & Noma traveled to Blue Eye to attend the televised Jim Bakker show emanating from Morningside. In the evening the group trekked to The Landing and enjoyed great barbecue at Famous Dave's.

Breakfast at the clubhouse Saturday morning consisted of pancakes, eggs, bacon or sausage with coffee and/or juice. A very good breakfast for a very reasonable price.

The chapter meeting was postponed from being conducted at the normally scheduled time after breakfast until Saturday evening. This postponement was made to allow those who wanted to attend the "Used-to-be's" (former Hillbilly Roller members) luncheon at the café in Hurley, MO. As most of you know, there is no direct route to Hurley. There were nine (9) "Used-to-be's" and 10 current HBR members at the luncheon. A fine time reminiscing, getting caught up on current conditions and enjoying good food was had by all. Lavonne Smith brought her guest Jan Romero of Kimberling City and Jan applied for HBR membership for her and her husband Roger. Welcome Romeros, we look forward to your participation with the Hillbilly Rollers.

After Sunday breakfast in the clubhouse, the group broke camp and scattered in all directions to their respective homes
